PROGRAM OF BEVERLY (MASS.) TERCENTENARY YEAR EVENTS

COMPILED BY THE BEVERLY TERCENTENARY CELEBRATION COMMITTEE AND THE BEVERLY CHAMBER OF COMMERCE.

It is appropriate to begin the official program of events for Beverly's Tercentenary Year (1668-1968) with the observance of the 300th Anniversary of the First Parish Unitarian Church, starting September 20, 1967. The church, one of the oldest in the country, once served as the center for the town's government, and even a storage place for ammunition. The celebration began with the ringing of the church bell, a harpsicord concert, music by orchestra and choir and the cutting of a king size birthday cake at a social gathering in the Parish House.

The second important event, and the first to take place during the 300th Anniversary year, was the spectacular performance of the Springfield College Gymnastics Team in the BHS Field House, under the auspices of the Beverly YMCA, before a capacity audience.

The Beverly Jaycees sponsored a "Battle of Bands" on March 6, featuring modern bands from a wide area at the Beverly Junior High School. The winning band was the "Blueberry Earth" group of Salem.

At the 75th Annual Report and Award Dinner of the Beverly YMCA, held at the North Shore Country Day School, Thursday evening, March 21, former Mayor Carl V. Joslin was the recipient of the coveted "Service To Youth" award. North Shore Community College president Harold Shively spoke on the need for future planning.

The Herman A. Spear Post American Legion observed its 50th Anniversary with a dinner and dance in their new Judson street quarters on Friday night, March 22nd. Founded in 1918, the Post also recognized the city 300th Anniversary with special music by the Gas-liters Banjo Band and the Beverly Barbershoppers chorus.

The Beverly High School Concert Band was host to the Middletown, R. I. high school band in a joint concert on Sat. night, March 23 in the BHS Auditorium. Sponsored by the Beverly Music Parents Asso., the affair included recognition of Beverly's 300th Anniversary.

A concert by a group from the Boston Pops orchestra in the BHS Auditorium on Sunday night March 24, sponsored by the Beverly Hospital Aid Asso., benefitted the Beverly Hospital.

The Ryal Side Men's Civic Association held their annual banquet and dance on Sat. night, March 30. Music by Vic Latauska's orchestra.

A concert by the 42-voice Otterbein College Choir of Westfield, Ohio was presented in the First Baptist Church on Saturday, April 6th.

"Coin Collecting as a Hobby" was the subject discussed at a joint meeting of the Beverly Historical Society with the Essex County Coin Club on Wednesday evening, April 10 at the Memorial Methodist Church. The Tercentenary Commemorative Coin was shown by Chester Rogers.

THE CLOSING DATE for the addition of events in this program was April 10, 1968, therefore all scheduled events will be printed as if to come, inspite of the fact that the program book may not be on sale until the latter part of May. BEVERLY, MASSACHUSETTS

"Birthplace of the American Navy"

Early American history is abundant in Beverly, Massachusetts, but few cities blend so well the old and the new. The Beverly of today was included in the territory called "Naumkeag", settled in 1626 by Roger Conant and his followers, who sailed into Beverly harbor aboard the "Abigail," and set aside as a township in in 1668. It was incorporated as a city in 1894. The early settlers handed down to its present generation a worthy heritage of tradition and history, along with a wealth of natural beauty and assets.

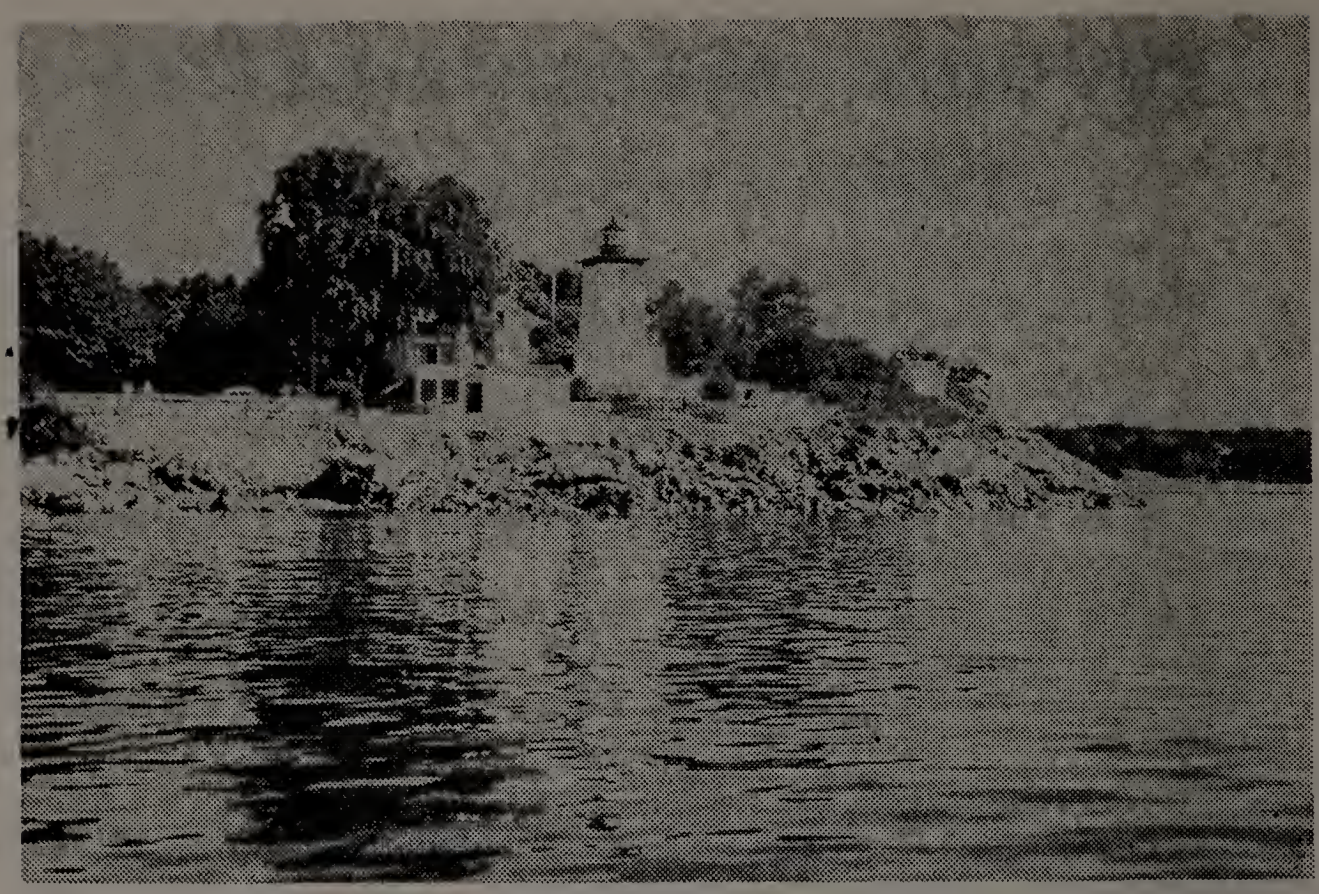

In 1968 Beverly celebrated its 300th Anniversary as a town, having been incorporated as a separate township in 1668. The Historic Trail, Yankee Homecoming, Summer Music Theater, and a Lobster Festival each year are tourist attractions.

DOWNTOWN BEVERLY

Situated only 18 miles north of Boston, Beverly is the heart of the North Shore. It has the convenience of the city, the serenity of the country and the charm of a New England seafaring town. Excellent transportation and modern highways, with a backdrop of nature's loveliest scenery, make it popular for living, business, industry, and recreation.

Covering 15 square miles of area, it has nine miles of coastline, including smooth white sandy beaches, rocky ledges interspersed with seaside estates or neat, well kept homes. Back from the shore are wooded country lanes, with gentle rolling terrain and attractive homes. Approaching by land or by sea, the tall white spires of the churches can be seen nestled among the abundant foliage of the early planters' ground.

HOSPITAL POINT AND LIGHTHOUSE

BALCH HOUSE

American Pioneers Roger Conant, John Balch and other "planters" built their homes here. One of the homes, the Balch House, built in 1636, is the oldest wooden frame house in the country, and still stands as a record of early days and an attraction for visitors.

The city has many "firsts" of which to be proud. Here the first cotton mill in America was established in 1788, the first Britannia ware was manufactured in 1808, and the first Sunday School in New England was started (1810).

The first ship of the American Navy, the schooner "Hannah", was outfitted, armed, equipped and provisioned at Beverly. Commissioned by General George Washington, it sailed from here on its first cruise on September 5, 1775, and two days later brought in a prize. This important incident in history, recorded in original documents at the Library of Congress, made Beverly the Birthplace of the American Navy. Many other ships were also commissioned at this important port of revolutionary days, and at one time as many prizes were brought back to Beverly, it was necessary to construct new docks. Sixty vessels were in the harbor at one time . . . aided greatly the continental forces through clothing, military stores and supplies.

"Lowery Aerial Photo"

NEW BEVERLY HIGH SCHOOL

George Cabot in 1798 was honored by President John Adams by being named the first Secretary of the Navy.

History also reveals that baked beans originated in Beverly and later became popular in Boston. Historian Morrison noted "After teaching Boston how to bake beans, that city took credit. After showing Salem how to fish and privateer, the larger port almost absorbed her neighbor."

Beverly was the scene of the Summer White House of President William Howard Taft, and Benjamin Harrison summered here the year after he returned from the Presidency. It has been the home of many distinguished citizens, including Rev. Joseph Willard, D.D. of the First Church in Beverly, President of Harvard College in 1781; Nathan Dane, member of the Continental Congress; birthplace of Poetess Lucy Larcom; both Oliver Wendell Holmes, Senior and Junior; former Senator and U. S. Delegate to the United Nations; Henry Cabot Lodge, former Ambassador William Phillips and many other famous people.

COLLEGE HALL—ENDICOTT JUNIOR COLLEGE

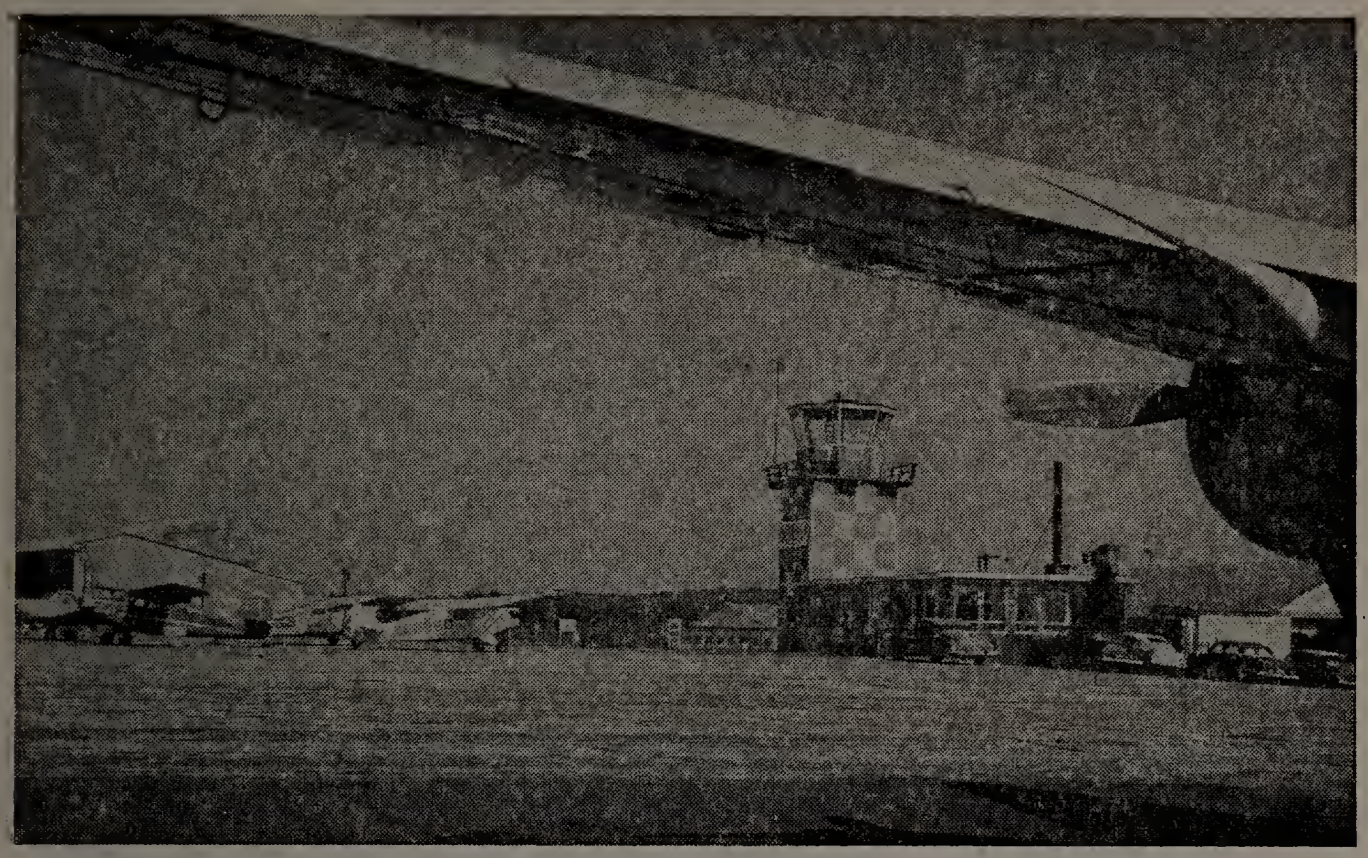

Beverly is a pleasant, residential-industrial community. From fishing, commerce, and agriculture of earlier days, it has developed into a prosperous, well-balanced city. From manufacture of shoes, it grew to include the world's largest shoe machinery plant, owned by the United Shoe Machinery Corporation, Beverly's largest employer. In recent years, various types of machine tools, chemicals, metal products and electronic devices have helped expand the city's economy. Highway Route 128, opening new land for industrial use, is attracting further industry and retail trade here.

New homes in all sections, new churches and schools, enlarged hospital facilities and a convenient downtown shopping center have added to the ideal living conditions found in the community. Over 100 clubs and organizations include, improvement associations, Beverly Historical Society, veterans organizations, fraternal groups, United Fund, and social service agencies.

A progressive city government, an active Chamber of Commerce and a healthy business climate have multiplied natural advantages found here to make Beverly the kind of place people are proud to call their "home town".

BEVERLY AIRPORT

Beverly's modern Municipal Airport serves the entire North Shore and other communities in Essex County. Located just off route 128 it has excellent paved runways, the longest being 5000 ft. easy access and fine service facilities.

The Beverly Public Library was established in 1855, and moved to its present building in 1913. The main floor of the library building contains two large reading rooms, reference room, charging desk, and office. In the basement is the workroom, and art room. On the top floor is the reference room, youth room, the geneology room and storage rooms. The branch library at Beverly Farms was built in 1915. The present book collection numbers 149,447 volumes. The hours of the Main Library at 32 Essex Street are 9 a.m. to 9:00 p.m. Monday through Friday, and 9 a.m. to 12 noon on Saturdays. The Beverly Farms Branch at 24 Vine Street is open Monday through Friday 10:30 a.m. to 6 p.m. and Saturdays 9 a.m. to noon. The Library now has a Bookmobile which visits Centerville, North Beverly and Ryal Side, also visits all elementary schools, and shut-ins.

Advertisers Who KNOW

That which makes any advertiser's approval worth while is the prominence he has attained in his particular line of work.

The *advertisers in the Directory* are competent judges on the subject of advertising mediums — the fact that they approve of *Directory advertising* is evidenced by their continued patronage.

★

THE City Directory is the most effective and most economical method of reaching all the people all the time. Those who buy without looking at the classified list of those who sell do themselves great injustice. The classified lists in the Business Directory form the best Buyers' Guide on earth. NUMERICAL DIRECTORY

EXPLANATORY NOTES

The streets are arranged alphabetically with their descriptions, each description followed by a numerical arrangement of householders, places of business and street intersections. (Arranged by rotation where no numbers have been assigned.)

The abbreviation r between street number and the name signifies "rear."

The word "vacant" after a number signifies that the house, office or store at that number was vacant when the canvass was made.

"Right even" after street description indicates even numbers on right side of street.

The symbol □ following a householder's name indicates that information has been secured during the canvass that the house is owned by some member of the family, but as the publishers cannot and do not guarantee the correctness of the information furnished, nor the complete absence of mistakes, no responsibility for errors can be or is assumed, nor can the publishers furnish further information than that shown.

Zip Codes are included in the description of each street and changes in Zip Code for streets with more than one code are indicated at the address where the change occurs.

The Mortality of Advertising

The waste basket is the grave of millions of dollars worth of advertising every year. Keep your advertising out of the waste basket by using mediums that are not thrown away. The City Directory is on the job 365 days in the year and no level headed man will think of the waste basket and the City Directory at the same time

The Mortality of Advertising

The waste basket is the grave of millions of dollars worth of advertising every year. Keep your advertising out of the waste basket by using mediums that are not thrown away. The City Directory is on the job 365 days in the year and no level headed man will think of the waste basket and the City Directory at the same time

The Price & Lee Company

Reference Advertising

—●—

Advertising—that is perpetual in mediums that have a permanent value.

Advertising—that protects and supplements all other forms of advertising that create desire.

Advertising—that directs the buyer when the need is imperative after the desire has been created.

Advertising—that by its permanence establishes confidence and stability.

Advertising—by which tomorrow's success is built on today's action.

—●—

Your City Directory is one of these mediums

The Price & Lee Company

STOP OR GO!

Red means Stop—Green means Go. Your ad in the Directory is the Green signal to Go—and the results will be a Green light all along the way.
